- (f) The client has undergone the stage-1 and stage-2 audits satisfactory and the recommendation of the audit team is favorable

2.0 Certification Process

2.1 Certification Agreement

On acceptance of the Quotation, this certification agreement is signed between NOSA and the client for providing certification of the client's management system by NOSA to the applicable international standard.

2.2 Stage-1 Audit & Documentation Review

NOSA shall conduct a stage -1 audit at client site to verify the adequacy of documentation with respect to the requirements of the applicable standard and also to understand and gather further information on the client activities and processes including applicable statutes, to plan for the stage-2 audit. The client shall satisfactorily resolve all the observations raised in document review along with other concerns / issues highlighted during the audit and the same confirmed to NOSA before planning the stage-2 audit. NOSA shall submit a formal report to the client

2.3 Stage-2 Audit

NOSA audit team shall visit the client's premises, as per an agreed plan, to verify effectiveness of the client's management system in meeting the requirements of the applicable ISO standard. NOSA shall submit a formal report to the client.

2.4 Non-Conformity Report

If a non-conformance is detected during audit, a Non-Conformity Report shall be issued to the client. For the non-conformities raised during the audit, the client shall submit the correction and the corrective action (based on root cause) to NOSA office within 20 working days from the last day of the audit. NOSA shall verify the submitted correction and the corrective action and confirm the acceptance of the same to the client. Client shall take the correction and corrective action within the stipulated date and submit the documentary evidence to NOSA to verify the effectiveness of action taken and accordingly to close the non-conformances.

In case of a major non-conformance, the effectiveness of action taken shall be verified at client site by a follow-up visitor as communicated by the team leader on the closing day of the audit. This shall be completed within 90 days from the last day of the audit.

In case of certification audit (fresh client) the NOSA shall cancel the audit under the following conditions

- (a) Client does not submit Corrective Action Plan for the Non-Conformity raised within 20 working days as stipulated above
- (b) In case of major Non-Conformity the verification of effectiveness of corrective action is not completed within 90 days as stipulated above

In case of certified clients NOSA shall suspend the certificate under the following conditions

- (b) In case of major Non-Conformity the verification of effectiveness of corrective action is not completed within 90 days as stipulated above

2.5 Recommendation for Certification

NOSA shall recommend certification of the client's management system, based on the following

- (a) NOSA has reviewed the audit reports and has accepted the recommendations of the audit team
- (b) The client has submitted the correction and corrective action for the non-conformities raised within the stipulated time and NOSA has accepted the same
- (c) In case of a major non-conformance, the effectiveness of correction and corrective action is verified by NOSA auditors as agreed and the non-conformity is either closed or downgraded to minor.

If the client is not recommended for certification NOSA shall accordingly inform the client

2.6 Issue of certificate

NOSA shall issue the certificate against the applicable standard to the client only after the closure of all the non-conformances as stated in section 2.5 of this agreement.

The Certificate is the property of NOSA, and shall be produced to NOSA as and when requested.

NOSA SYSTEM CERTIFICATION CERTIFICATION AGREEMENT

The certification will be valid for a period of three years from the date of approval of certification, subject to the satisfactory maintenance of the Management System as confirmed through agreed surveillance audits

2.7 Surveillance Audit

Surveillance audits shall be conducted regularly at the client's site at least once in a year to confirm that the Client's Management System continues to conform to the requirements of the standard to which it is certified.

The first surveillance audit shall take place within twelve months from the last day of the stage-2 audit and failure to comply with this requirement will lead to suspension and subsequently withdrawal of certification.

For the non-conformity raised during the surveillance audit the conditions stipulated in section 2.5 of this agreement shall be applicable

In the case that a surveillance audit cannot be carried out because the client's operations are affected owing to factors outside its control, e.g.: employee union strike, natural calamity, etc. the cases shall be presented to NOSA for a decision.

NOSA shall submit a formal report to the client

2.8 Re-certification Audit

The purpose of re-certification audit is to confirm the continued conformity and effectiveness of the client's management system as a whole and its continued relevance and applicability for the scope of certification.

The Re-Certification audit shall include site audit and shall consider the performance of management system over the period of certification and shall also include a review of previous surveillance audit reports. The re-certification audit may have a stage-1 audit in situations where there have been significant changes to the management system, the client or changes to legislation.

NOSA shall conduct the re-certification audit at least 60 days in advance to the expiration of certification so that the client has time to implement corrective actions before the expiry of the certification

For non-conformities raised during the audit, the conditions specified in section 2.5 of this agreement become applicable. NOSA shall submit a formal report to the client.

2.9 Special Audit

NOSA shall conduct special audits under the following conditions,

- Extension to the scope of certification already granted, on the request of client. This could be clubbed with routine surveillance audit.
- To investigate complaints received by NOSA about the client.
- Follow up audit in case of suspension or a major non-conformity raised in any audit.
- Changes to NOSA's certification requirements.

For non-conformities raised during the audit the conditions identified in section 2.5 of this agreement shall become applicable.

EQUALITAS shall submit a formal report to the client.

2.10 Notice of Changes by NOSA

NOSA shall inform the client in advance any changes to its requirements for certification and shall subsequently verify that each client complies with this requirement. It shall necessitate a special audit in certain cases.

2.11 Notice of Changes by the client

Client shall inform NOSA, without delay, of matters that may affect the capability of management system to continue to fulfill the requirements of the standard used for certification. These may include changes related to,
